Observation and Challenges

- Our advantages
- Current TND conditions

Required Actions

- Vision and strategic choices
- Conditions for success

OUR ADVANTAGES

- REMARKABLE LOCATION, A PEARL IN THE REAL ESTATE
- AMAZING VIEWS
- BIG FIELD
- GOOD COMPONENT STRUCTURE (reinforced concrete)
- ACCESS TO THE PARK, BICYCLE PATHS, WALKING TRAILS AND OTHER SERVICES

FINDINGS

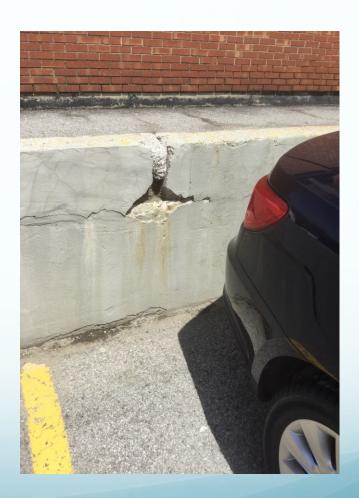

- FOR MORE THAN 5 YEARS, THERE WAS A LACK OF QUALIFICATIONS OF MANAGERS OF THE BUILDING
- NO INVOLVEMENT OF CO-OWNERS WHO CAN OFFER EXPERTISE TO HELP IN DECISION-MAKING
- PROBLEMS TAKE TIME TO BE SOLVED, (HOT WATER, REPAIR OF UNITS AFFECTED BY FLOODS, NOISE, TRANSFORMERS AND MARIJUANA CONSUMPTION)
- LACK OF MAINTENANCE, PROJECTS ARE OFTEN STARTED WITHOUT COMPLETING THEM: THE LAND, CORRIDORS, DOOR HANDLES AND OTHERS
- THE AESTHETICS AND APPEARANCE OF THE TOWER
 NEGLECTED FOR A BUILDING THAT COULD BE PRESTIGIOUS

Items left behind during moves, June, July and August.

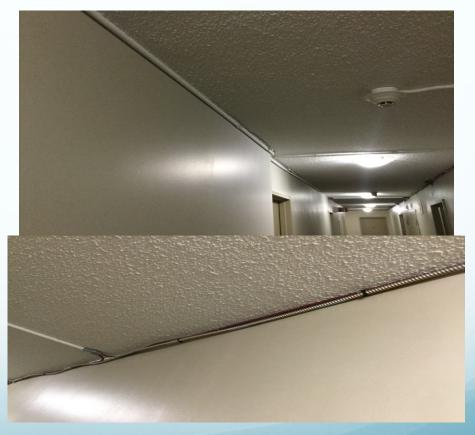

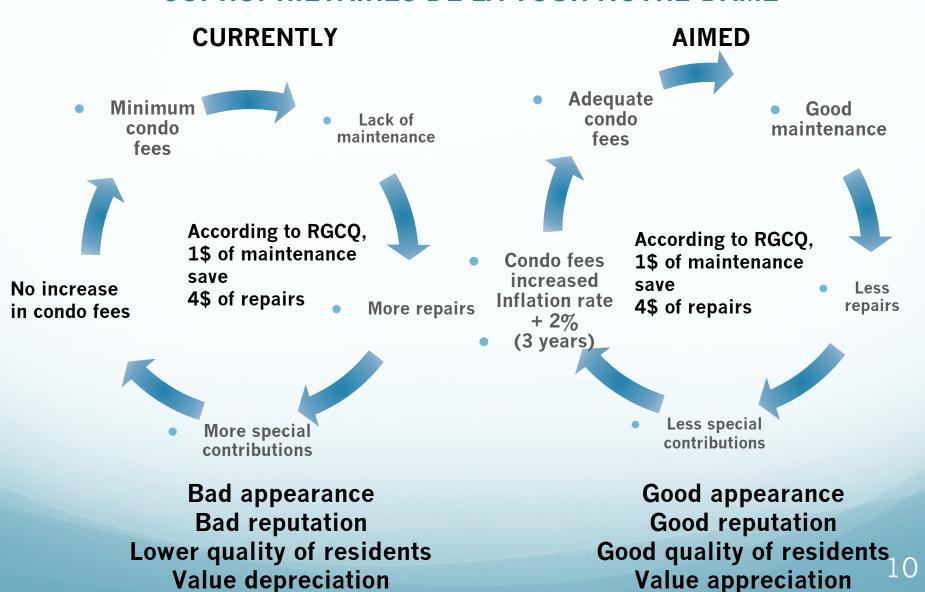

• FIRE PHONE

CABLES IN CORRIDORS

THE STATUS QUO IS NOT AN AVENUE IF WE WANT TO REGAIN SOME OF THE VALUE THE TOWER USED TO HAVE IN THE MARKET.

TND NEEDS A NEW START ON NEW BASES.

- NEW MANAGEMENT WHICH SUPPORTS THE BOARD
- CLEAR DESCRIPTION OF THE MANAGER'S DUTIES, THE MANAGER IS RESPONSIBLE FOR THE QUALITY OF THE WORK DONE AT THE TOWER
- WE HAVE ESTABLISHED PROCESSES FOR THE IMPLEMENTATION OF PROJECTS, WORK SPECIFICATIONS (TECHNICAL REQUIREMENTS) O QUOTES OCCDC CONTRACT WITH ADEQUATE WARRANTY (5 YEARS) OWORK INSPECTION
- SAVING OF 800,000\$ COST OF THE GARAGE, DROPPED FROM 1.8\$M TO 1\$M, AND SAVINGS FOR REPAIR WORK (HANDYMAN)

PROPOSED VISION FOR THE TND

Create a pleasant, clean and tasteful living environment in order to attract desirable residents and maintain the value of condominiums.

Conditions for success

In order to achieve our vision and to keep our investment, we must work together to implement strategic choices.

- Ensure good management of the tower by hiring a management firm and competent staff.
- Ensure that the building is maintained in good condition by drawing up a mediumterm maintenance book.
- "According to the RGCQ: Every dollar of maintenance saves four dollars in repairs.".

- Make sure to have a good quality and durable repair work to ensure long term savings.
- Promote the well-being of resident co-owners.
- Make sure to have an operating fund and a reserve fund, allowing for the maintenance and repairs necessary for the maintenance of the building and its valuation.

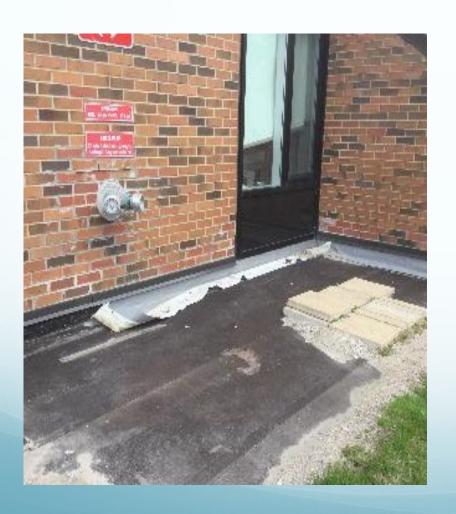

- Put measures, and strengthen the rules in place, in order to protect the well-being of residents, among others: eliminate / reduce irritants such as noise, accumulation of bulky items, dilapidated ambient decorations, dirtiness of the grounds and others.
- Create a pleasant living environment by learning and practicing respect for each other.
